

Soft Mount Washer Advantages

• Manufacturing Process

We adopt automatic process equipment to instead labor force and ensure the accuracy.

• International Famous Spare Parts

Delta inverter, NSK bearings, depend-O-drain valve, customized motor, big brands parts guarantee the machine quality and extend the life span.

• 1000RPM Maximum Speed

Over-size bearings, heavy duty frame and the strong structure all enable our soft mount washer run stably and smoothly under 1000RPM high speed with more than 400G.

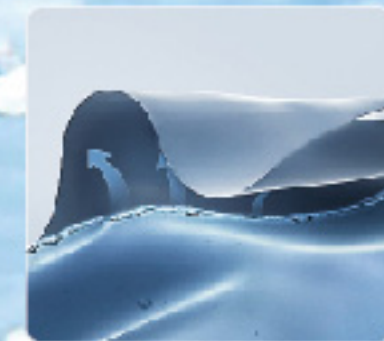

• UVC Disinfection

The real UVC light will turn on the moment washing cycle starts. The cylinder will be immersed in the disinfection light throughout the washing cycle, a double insurance of the sanitation. It can kill bacterial.

• Free Maintenance

Three oil seals and one water seal ensure the life of the bearing without being corroded by water. In addition, the lubricating oil imported from Germany achieves maintenance free.

• Remote Control App Available

More Than 1000rpm Speed

Wet Cleaning Function

30 Kinds of Wash Programs

Soft Mount Washer

Available capacity : 12kg/16kg/22kg/27kg

Warranty: 24 month
